SFN 18791 (04-2011)

Dear Borrower:

If you plan to return to school in the fall, you may wish to extend your in-school deferment through the summer months.

To apply for the In-School Deferment by Statement of Intent, PLEASE read and complete the entire form. Return the form to our office immediately to prevent your account from returning to repayment status during the summer. A return envelope has been enclosed for your convenience.

STATEMENT OF INTENT
(In-School Deferred Borrowers Only)

Name of Student	
Name of Institution of Higher Education	
I certify that the above student will be returning to classes as a ☐ Full-Time Student ☐ Half-Time Student	
Returning for Fall of (list year)	Date of Expected Graduation

Upon receipt and approval of this signed statement by my lender, my current in-school deferment will be extended to cover the summer months between school terms. I may make payments during the summer if I wish.

I understand that if my lender does not receive certification which verifies my *fall enrollment, my loan(s) will enter repayment. I understand any unpaid interest accrued will be capitalized (added) to the unpaid principal balance of my loan(s). I also understand that if I fail to return to school as stated in this intent; that this deferment request will be void and the interest accrued during this time frame will be capitalized.

*** Enrollment Status (full or half-time) must be equal to or greater than enrollment status of the most recent in-school deferment.**
